## Law

Shows  
Our  
Sin

## Gospel

Shows  
Our  
Savior

- commands good works of thought, word, and deed;
- tells us the Good News of our salvation in Jesus Christ;
- condemns and punishes sin;
- gives forgiveness, faith, life, and power to please Him with good works;
- readies our hearts to receive the Gospel.
- comforts us as the Gospel free's us from the condemnation of the Law.
